PROFIT GUIDANCE
FOR THE SECOND HALF AND THE FULL YEAR ENDED 30 JUNE 2026

The board of Directors (the "**Board**") of UG Healthcare Corporation Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to inform that, based on a preliminary assessment of the Group's unaudited consolidated financial results for the second half and the full year ended 30 June 2026 ("**2H FY26**" and "**FY26**") and the information currently available, the Group expects to report a net profit for 2H FY26 and FY26, representing a turnaround from the net loss reported for the corresponding second half and the full year ended 30 June 2025.

The expected net profit for 2H FY26 and FY26 is mainly attributable to higher sales volume, increased average selling price of disposable gloves and the favourable prospects for hand protection solutions and hygiene consumables, as well as improved operational efficiency. These improvements have been bolstered by the Group's well-established downstream global distribution network and the strong brand visibility of the proprietary international **UNI**GLOVES® brand in key markets.

The Company is in the process of finalising the Group's unaudited consolidated financial results for 2H FY26 and FY26 and will provide further details of its financial performance which will be released on SGXNet after the close of trading on 26 August 2026.

The announcement of the financial results will be available via SGXNet on the Singapore Exchange's website (https://www.sgx.com/securities/company-announcements) and the Company's website (www.ughealthcarecorporation.com). Shareholders interested in staying updated with the latest developments of the Company are encouraged to subscribe to email alerts available on the Company's website.
