UG Healthcare Keeping Its Employees Safe

- **Covid-19 testing for employees as a precautionary measure to safeguard their health and safety**
- **The Group expects minimal disruption to manufacturing operations and no material impact to current financial year performance**

Singapore, 01 December 2020 – UG Healthcare Corporation Limited 优格医疗集团 ("**UG Healthcare**" and together with its subsidiaries, the "**Group**"), a disposable gloves manufacturer with its own established global downstream distribution business that markets and sells disposable glove products under its proprietary "Unigloves" brand, wishes to update that the Group will be conducting Covid-19 testing on its employees in its upstream manufacturing operations located in Malaysia.

Mr Lee Jun Yih, Executive Director and Finance Director of UG Healthcare said, "**We will be conducting Covid-19 testing on our employees as a precautionary measure to safeguard their health. The Covid-19 testing will have minimal disruption to our manufacturing operations as we continue to strive to ensure all our customers receive their required inventory of gloves. As such, we do not expect any material impact to our current financial year performance ending 30 June 2021.**"

The Group will make further announcements to update shareholders as and when appropriate.

UG HEALTHCARE CORPORATION LIMITED 优格医疗集团有限公司

(Stock Codes – SGX: 8K7 | Bloomberg: UGHC SP | Reuters: 8K7.SI)

UG Healthcare Corporation Limited ("**UG Healthcare**" and together with its subsidiaries, the "**Group**") is a disposable gloves manufacturer with its own established global downstream distribution that markets and sells disposable glove products under its proprietary "**Unigloves**" brand.

The Group owns and operates an extensive downstream network of distribution companies with a local presence in Europe, United Kingdom, USA, China, Africa and South America, where it markets and sells its own proprietary "Unigloves" brand of disposable gloves. The Group also distributes ancillary products including surgical gloves, vinyl and cleanroom disposable gloves, face masks and other medical disposables.

These downstream distribution companies are supported and complemented by the Group's own upstream manufacturing division, manufacturing natural latex and nitrile disposable gloves under its "Unigloves" brand and third-party labels in its manufacturing facilities located in Seremban, Malaysia.

Its "Unigloves" brand of disposable gloves offers an extensive product range that includes both specialised products, with a variety of coatings, scents, colours, thickness, anti-microbial properties for more specialised users, as well as generic products. These products are used across a diverse range of industries requiring cross infection protection and hygiene standards, whilst catering to different applications and preferences.
